

PARENT/TODDLER PROGRAM

Welcome to the Parent Toddler program.

PLEASE NOTE THE FOLLOWING

Parking: Parking is allowed in front of the building near the "A" entrance door. In the event this lot is full, ample parking is available in the back of the building near the Skate Park.

Parking is **NOT ALLOWED** along the driveway or circular area in front of the "B" entrance door.

Arrival: Upon arrival, please come to the Waiting Room. Entrance through the gym is not allowed so as not to track dirt/debris on the gymnastics carpet.

Gym Use: To ensure proper use of our Facility/Equipment, you must adhere to the following:

- Shoes are not allowed in the Gym! Socks or bare feet only for both Parent/Child! The Waiting Room area is available for storing shoes, coats, hats, bags etc.

- Food and/or drink is not allowed in the Gym (this includes bottles, sippy cups, coffee, etc.). The Waiting Room area is available if you need it.
- Please avoid clothing with buttons or snaps as it can damage equipment. We also ask that children do not wear jewelry of any kind.
- Activity will be limited to the carpet area only. Stay with your child, mainly for safety reasons. When your child wanders away from the group, acknowledge his/her curiosity about what has caught their eye, then try to lure them back to the group.
